Application for Company Check Acceptance

The Fred Beans Family of Dealerships requires all companies seeking company check acceptance to agree to the following terms and conditions.

Qualifications:

Any company actively engaged in the business of automotive repair and/or reselling automotive parts will be considered for company check acceptance. Before a company check is accepted, this Terms and Conditions of Sale Agreement must be returned and signed by a corporate officer or principle. All businesses must also submit a signed Tax Exemption Certificate. If a Tax Exemption Certificate is not on file at the time of sales, sales tax will be charged on the invoice. Your company name must also be listed with the local phone directory before company check acceptance will be approved.

Terms:

Unless or until company check acceptance is approved, terms are cash, certified check, or credit card payment on delivery. Company check acceptance is subject to approval upon return of completed Check Acceptance Application. Credit cards used by wholesale accounts are subject to a nominal bank charge. The cardholder must be a current, verifiable owner or employee of the company ordering.

Returned Check:

Any company check that is returned unpaid due to non-sufficient or uncollected funds will be subject to a nominal bank charge of \$50.00 per check. The Fred Beans Family of Dealerships must be able to re-deposit the check upon receipt from the bank or be reimbursed in cash or certified funds within three business days. The Fred Beans Family of Dealerships reserves the right to cancel company check acceptance approval for any company having assessed returned check charges outstanding for thirty days or more. Company checks returned unpaid due to the account being closed will be subject to the same \$50.00 per check charge, must be replaced with cash or certified funds within three business days and the company check acceptance approval will be immediately cancelled.

Pricing:

All prices are subject to change without notice. All parts will be invoiced at the current prices in effect at the time shipment.

Freight:

Unless otherwise specified, all shipments will be made by Independent Carrier (UPS, FedEx, DHL, etc.) or by Fred Beans Family of Dealerships Parts Delivery System, via our own trucks. All merchandise is shipped in good condition and is assumed to be delivered in the same way. It is the consignee's responsibility to inspect the shipment at the time of receipt and make notice of lost or damaged goods directly to the Fred Beans Family of Dealerships store where the sale was initiated.

Returns:

No unauthorized returns of any type are accepted (Including but not limited to: All Glass, Interior Trim, Wiring Harnesses, and Special Ordered Parts). Prior authorization is required and if shipped, must be shipped prepaid with a return authorization clearly marked on the outside of the package. All returns are subject to a 15% restocking fee to be applied at Fred Beans Family of Dealerships' discretion.
