

# Fleet Benefit Charts

As any Fleet manager knows, time is money. Invest your time in a program that can potentially increase your vehicle uptime. My GM Partner Perks does just that. Benefits include technical training support and business tools that can help drive profitability, productivity, and most importantly, your bottom line. With your first purchase, you can start to take advantage of these exclusive benefits and discounted resources.

## Incentives

As a Fleet manager, you will be eligible for program benefits and additional trade offers on select parts each quarter.
